

## Sources of Funding

This document sets out the potential sources for funding and funding-related advice available to community and voluntary organisations and public sector bodies. The information provided is only intended as a guide and may not cover all the sources of funding available. Please note that whilst we aim to review and update this information regularly it may still be subject to change as the status of organisations in the funding sector and criteria for granting funding can often change.

Organisation	Advice Type	Briefing Description	Web details
<b>Association of Charitable Foundations (ACF)</b>	General Funding Advice	The <b>Association of Charitable Foundations</b> is primarily an information and support organisation for grant-making trusts and foundations in the UK. It does not make grants itself but it represents the interests of its members by promoting good practice in grant-making and the effectiveness of trusts and foundations. Other activities include providing framework for sharing experiences and good practice, research, policy and influencing work, but also venture philanthropy and social investment.	<a href="http://www.acf.org.uk/">http://www.acf.org.uk/</a>
