Marshall Best	Loftus Accord																						
Philip Thomson	RCBC Councillor																						
Terry Cox	CPRE																						
Wayne Davies	RCBC																						
3 (b)	CCT Membership	Other partners and/or stakeholders to be involved.	None																				
Delivering the Plan																							
4	Short term goals/actions	What has the team achieved in the past 15 months? (Jan 2016- March 2017)	<p>The group advised and supported the Cleveland Ironstone Mining Museum's successful first round bid to CCF in 2016.</p> <p>It aligned itself to the Big Local to strengthen community capacity locally. The Big Local's first major event the Klondike Bike Race (as tourism is the CCT's priority). The race is to be held on 2nd April as part of the prestigious British Cycling Series Cup.</p> <p>Members have helped with broadband awareness to increase connectivity across this very rural area.</p>																				

5	Performance measures	Outcomes	<p>Establish a partnership with an existing body to strengthen community capacity.</p> <p>Support a successful CCF round 1 bid and a major tourism event.</p> <p>Encourage fibre broadband improvements and take-up.</p>
6	Medium term goals/actions	<p>Where is the team currently against these?</p> <p>Have they been amended?</p>	<p>The group are looking at supporting the Big Local and Leader programme activities and will have a role in an emerging market town's programme led by Redcar and Cleveland Borough Council.</p> <p>The group have not progressed transport or business support initiatives.</p> <p>We will continue with broadband support work at least until 2019.</p> <p>No, but transport activity has not been progressed as the focus has been on the top priority of tourism. Business support has remained with the Borough Council and the new, LEP-led Business Compass initiative (business support hub).</p>
7	Performance measures	Outcomes	<p>Increased tourism numbers; plus m2 of regenerated property.</p> <p>Households accessing fibre broadband.</p>
8	Long term goals and actions	<p>Are these still relevant? Changes? If not previously stated, what are the team's long term goals now?</p>	<p>Yes, but the CCT's role is supporting other established groups and organisations and to further tourism in particular. It is not intending to become another East Cleveland project delivery group in its own right.</p>
9	Costs	<p>Description of spend, revenue raised, resources, etc (including time for volunteers, social/virtual banking – i.e.</p>	<p>The group have budget made available by the Borough Council for meetings and administration but do not have a project or activities budget.</p> <p>They are purely voluntary, but work with and utilise the resources of the Big Local as well as the Borough Council.</p>

		swapping/sharing resources, skills, time, etc)	
10	Value	What value to the local economy has been realised by the team?	Not quantified.
11	Local Enterprise Partnership (LEP)	What is the relationship between the CCT and the local LEP? Does the CCT have a LEP coastal contact?	Sarah Walker of Tees Valley Combined Authority is the CCT's LEP support officer. Her role is advisory.
Communications			
12	Consultation Exercises	Describe recent results of consultations or other feedback – please include outcomes, use of flyers, etc	The group does not have its own communications activities, but support to local communities is provided by their lead partner the Big Local and/or as required through the Borough Council.
13	Communication with community	How has the community and stakeholders been involved and informed of progress and outcomes through all forms of media	As above.
14	GBC Logo	How has the team made use locally of the Great British Coast logo? Please provide examples.	It is used by the Borough Council and Big Local whenever joint activities are in operation and in relation to the major supported project – Cleveland Ironstone Mining Museum.
15	Comms Contact	Details of local contact for comms, media,	RCBC comms contact for supporting the CCT – Mark Malik 01642 774774.

		etc	
CCT Logistics			
16	Costs	Average running costs of CCT itself	£0
17	Sustainability	How will the team continue to sustain itself?	It will remain as a group affiliated to the Big Local which has approximately 7 years of funding. There are no firm plans beyond this period.
