

The Great British Coast has enormous economic potential which is why by 2020 the Government will have invested over £200 million in our much loved seaside areas through dedicated programmes like Coastal Communities Fund to help generate jobs and boost business

**First College are delivery Partners with The Coastal Communities Fund, Greater Lincolnshire LEP, and Lincolnshire County Council to deliver the:**

## **BIAB Level 3 Award in Kitchen Management**

This course is for Cooks and Chefs already at Level 2 standard. This course will enhance the practical skills you already have in cooking to manage a kitchen team. You can already be in a Supervision Position wanting to learn new skills or your goal is to develop your skills to progress yourself to that stage.

This course is delivered in small groups online with one-to-one Tutor support and mentoring, and will take approximately 4-weeks to complete.

### **Through this course you will;**

- ✓ Develop your knowledge to managing a team in a Food Preparation environment
- ✓ Understand how to manage and utilise staff in the most effective way
- ✓ Understand the different areas of kitchen administration and their importance to the business
- ✓ Understand the importance of HACCP, how to undertake risk assessments, kitchen design, environmental considerations and Health and Safety
- ✓ Understand what is meant by competition and how to apply marketing principles and promotional tools to generate business success
