

You could be entitled to fully funded training.

We are in an exciting partnership with **Greater Lincolnshire LEP** and **Lincolnshire County Council** offering selected online and classroom courses to yourself and your staff on a **fully funded basis** through the **Coastal Communities Fund**.

Following such a successful first roll out, we are now pleased to offer you phase 2 of the project that will be available initially on a month by month basis, with the opportunity to extend the range of courses and funding subject to demand, and the feedback received from businesses and learners.

Our first funded programme available is:

Siting of Single Units - includes a combination of classroom-based learning, practical on-site exercises, and our unique virtual reality experience.

Host Park required!

12 delegates maximum

Please contact us for more details!
